SHARING SPORTS FACILITIES WITH THE COMMUNITY

Masters' Union, Gurugram

Masters' Union encourages an active and healthy lifestyle among its students and the wider community. Its campus at DLF Cyber Park, Gurugram, offers a range of indoor and outdoor sports and fitness facilities, with modern equipment, dedicated playing spaces and guidance from experienced coaches. These facilities are shared free of charge with alumni, business professionals and participants from other institutions through regular matches, tournaments and hosted events, and partnerships with Hudle, Thrive and Sportyzo Sports Academy extend access to outdoor sport.

1. Sports and fitness facilities

Indoor facilities

- Table tennis – 3 tables
- Chess – 3 boards
- Badminton – 2 courts

Outdoor facilities (through partnerships with Hudle and Thrive)

- Cricket ground
- Football ground
- Basketball court
- Tennis courts

Yoga, meditation and movement studio

Gym and pickleball court

Badminton and football

Basketball

2. Sharing facilities with the community

Alumni vs Students matches. Every quarter, Masters' Union hosts Alumni vs Students matches on campus in badminton, table tennis and pickleball. Alumni, who are no longer studying at the university, use the campus facilities free of charge.

Pickleball Networking series. Masters' Union hosts founders, category heads and business leaders on its campus pickleball court, free of charge. Participants have included leaders from Citi Bank, NatWest,

Kroll, Lendingkart, Stylework, PlanetSpark, Inventus Capital Partners, Novatr, The Honest Home Company and Sopra Steria, combining sport and physical activity with professional networking.

Inter-college and community events. The indoor facilities for table tennis, chess, badminton, pickleball, the gym, and yoga and meditation are made available for inter-college and community events hosted on campus.

Hosted sporting events. Masters' Union hosts national, zonal and local sporting events, alongside its inter-fraternity tournaments and Cohort Sports Day.

3. Partnerships that widen access to sport

Masters' Union has partnered with **Hudle** and **Thrive** to strengthen access to outdoor sports and fitness facilities, and the **Sportyzo Sports Academy** forms part of the campus's sport and social spaces. Together with the on-campus infrastructure, these partnerships support an active sporting culture and create opportunities for students and the wider community to take part in physical activity.

4. Sporting events on campus and with partners

- **Inter-Fraternity Indoor Sports Tournament** – 89 participants, Masters' Union (Flock Hostel)
- **Inter-Fraternity Cricket and Badminton Tournament (Cohort Sports Day)** – 150+ participants, Sportyzo

Inter-Fraternity Cricket and Badminton Tournament. As part of Cohort Sports Day, the Sports Committee organised a cricket and badminton tournament with more than 150 participants, one of the largest sporting events held for the cohort. Multiple matches ran in parallel from 4:00 PM to 10:00 PM, followed by finals, with Team Google emerging as the overall winner. The committee managed match coordination, officiating, refreshments and venues, and the event promoted sportsmanship, fitness and bonding among cohort members.

Cohort Sports Day: Inter-Fraternity Cricket and Badminton Tournament
