Pratham Mittal

Founder, Masters' Union

The Undergraduate Class of 2027 at Masters' Union have exceeded all expectations with their performance this past year. From building start ups to excelling in sports, academics and even internships, our students have done it all.

Let us continue to strive for excellence in learning and education with the same passion for all our upcoming batches. Together, let's make this an extraordinary chapter in the legacy of Masters' Union.

Warm Regards,

Swati Ganeti

Director, Undergraduate Programme

As the Undergraduate Programme Director, I am immensely proud of the incredible achievements our students have accomplished over the past year. From excelling in academics and research to showcasing entrepreneurial spirit and engaging in community service, their hard work and dedication have truly set a high standard of excellence. These accomplishments not only reflect their individual talents and determination but also enhance the reputation and spirit of our institution.

As we begin a new academic year, I encourage our future students to build on these successes and continue striving for greatness. Remember, you are supported by a dedicated team of faculty, staff, and peers who are committed to helping you reach your full potential. I look forward to witnessing the remarkable achievements our students will undoubtedly attain this year. Together, let's make this year even more extraordinary.

Warm Regards,

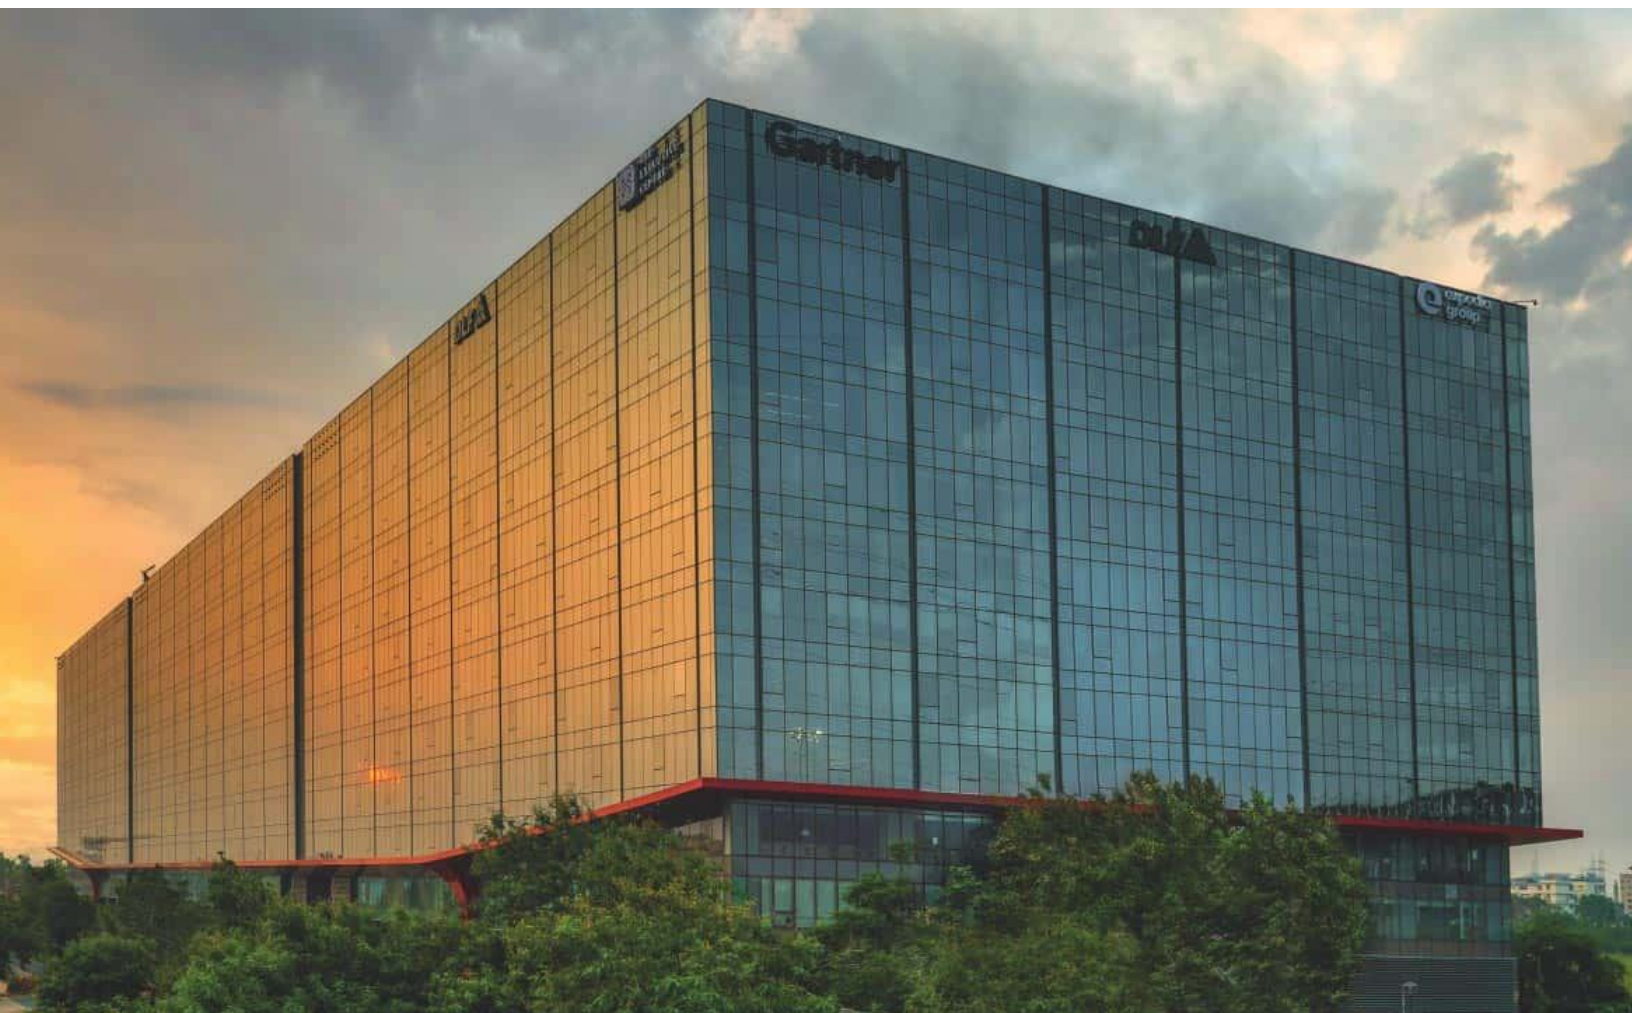

Our Vision and Mission

Masters' Union is India's pioneering industry-immersive business school, distinguished by its experiential learning approach to education. Our mission is to revolutionize Indian education, fostering practical, hands-on experiences for students. We believe that learning transcends the classroom, encompassing industry immersions, internships, interactions with top CXOs, and beyond.

With an impressive track record of placements, surpassing even those of renowned institutions like IIMs, Masters' Union aspires to be among the world's top 10 business schools.
